SUPPLEMENT TO PETITION FOR WAIVER

Electric Lightwave, LLC (ELI) respectfully submits this Supplement to its original filing. The purpose of the Supplement is to resolve any questions Commission Staff may have surrounding the original Petition for Waiver of the Annual Audit Requirements under 47 CFR Section 64.1320 for the 2005 audit year. ELI is also resubmitting Exhibits A and B as separate documents in the record for ease of reference. Exhibit A is a report issued by ELI's vendor, Billing Concepts, which reviewed ELI's payphone payment process. Exhibit B is a report from ELI's Auditor (KPMG) that reviewed and approved the methodology employed by ELI and Billing Concepts (on behalf of ELI) in the tracking of commensurable payphone dial-around usage. The KPMG Report also provides support and justification for ELI's Petition seeking a waiver of the annual audit requirements for 2005.

Other than the separation of the Exhibits, this Supplement does not change the original filing.

Respectfully submitted this 8th day of November, 2005.
